SUMMARY

I am a passionate fourth year Software engineering student in Arbaminch university with expertise in machine learning, cloud computing, and Flutter.

I have a proven track record of developing several projects, including an image classifier, and a Social Media Flutter app for Arbaminch University.

I am seeking an internship or entry-level opportunity in software engineering to gain practical experience and continue learning new skills.

WORK EXPERIENCE

Software Engineer

Freelance,

fiverr.com

Jan 2021 - Present (2 years)

- Developed high-quality mobile apps for Android and iOS platforms using Flutter framework for various clients.
- Implemented app design, functionality, testing, debugging, and deployment using the latest tools and techniques such as Firebase, Git, Agile methodologies etc.
- Delivered projects on time and within budget while ensuring optimal performance, security and scalability of the apps..

EDUCATION HISTORY

Bachelor of Science in Software Engineering

Institution: Arbaminch University

Date : from 2019 - 2024

- *Current CGPA: 3.95*
- Mastered machine learning, cloud computing, data structures and algorithms, and software engineering principles through rigorous coursework

LANGUAGE

• Amharic	C2	Mothers Tongue
• English	C1	Excellent

INTERESTS

- Playing Games
- Watching Movies
- Social Voluntary Activities
- Travel and Hiking

RELEVANT SKILLS

Hard Skills:

- Proficient in Python, Java, and Dart
- Experienced in using TensorFlow, PyTorch, and Scikit-learn for machine learning applications
